This Amendment accompanying this application is being made to present amended PCT claims and to amend the claims in order to avoid multiple-dependent claim fees. No multiple-dependent claim fees should apply. The Examiner is respectfully requested to enter this Amendment prior to calculation of the filing fee as of the national stage filing date, and to provide an action on the merits. Therefore no multiple-dependent claim fees should be charged in this application.

The Abstract on WO cover page, specification and claims also have been amended for formal improvement to comply with USA practice.

Respectfully submitted  
Klaus Fieback, et al
